Social Skills

I have worked in various kind of teams as a developer and sometimes also as a technical manager.
I'm able to enthuse others and inspire a positive attitude to setting up new procedures and new process.
I have good analysis skills and problem solving, also in support of other team members.

Backend Skills

Advanced knowledge of PHP.
The main MVC frameworks (Zend, CodeIgniter).
Basics knowledge of ASP and .NET.
Good knowledge of Postgresql and MySQL.
Good knowledge of Unix Shell.
Social Network apps development (facebook, twitter, etc.).
Skilled on Web Services integration and API development.
Basics on caching systems for overloading.

Frontend Skills

HTML4/5, CSS 2/3, Javascript.
The main Javascript frameworks (jQuery, MooTools, Prototype).
Basics of Javascript OOP.
Responsive web design and mobile web design.
Adobe Creative Suite (Photoshop, Fireworks, InDesign, etc.).
Good knowledge of UI design and UX.

Interest and hobbies

AND IN MY FREE TIME

In my spare time i love follow events and make research about the maker's world (Arduino, Raspberry PI, 3D printers). In the rest of my free time I write technical articles on my personal blog and book reviews (see under) and developing web apps.

If i still have free time I play soccer and play guitar.

Some personal projects that I developed in my spare time
